* **COLLABORATING WITH FORMERLY BATTERED WOMEN** *

Deborah Tucker, M.P.A. and Sarah Buel, J.D.

- R** Recruit formerly battered women as volunteers and leaders.
- E** Examine and eradicate any attitudes or prejudices within the board, staff and volunteers adverse to the participation of formerly battered women.
- S** Support formerly battered women in speaking out; within the organization and within the community.
- P** Plan for the involvement of formerly battered women in every committee, policy working group, task force or leadership function of the organization.
- E** Encourage formerly battered women by providing specialized training in public speaking, organizational dynamics and policy development.
- C** Coordinating formerly battered women as other volunteers: connecting them to the roles that keep them energized, involved and committed.
- T** Trust formerly battered women to share their knowledge, experience, skills and dedication as you do others within the organization.
